**Importance:** High

Hello everyone!

Sorry for the delay in getting back to you! The poll looks like Wednesday, the 17<sup>th</sup> from 2 to 3:30 pm works for most of us. If this time still works, we'll hold the meeting here at that time. Please let me know if your schedule changed.

I'll send out a phone number for those folks who can't be here in person on Tuesday after the holiday.

Thanks much!

Karin

**Subject:** SRRTTF Green Chemistry Workgroup - Doodle Poll for next meeting

Hello Everyone!

We need to develop a scope of work for the money allocated to Green Chemistry in the state contract so we can get ready to spend \$5k by the end of June! **Please visit this [Doodle Poll](#) by close of business Wednesday, Jan. 10<sup>th</sup>** to let me know your availability for a meeting before the end of January.

Below are the possible discussion topics for the agenda that I can think of. Does anyone have anything else to add???

- Scope of work to spend \$10,000
- Finalize the workplan
- Follow-up from road paint discussions
- Outreach memo
- Other?

Thanks & have a super weekend!  
Karin
